ACT 2013-398 – Changes to Pre-commitment Process

As previously advised by the Department of Revenue, effective January 1, 2014, county licensing officials will no longer accept applications to create new distinctive license plate categories in the pre-commitment process. This responsibility will be transferred to the Department of Revenue. Therefore, the last summary statement for pre-commitment fees (FRMS 5-B) to be submitted to the Comptroller's Office will be for December collections remitted in January.
